Remarks: _____

ALL PATIENTS: Please see reverse side of this sheet for important appointment information and directions to our office.

Referred by: _____ Date of Referral: _____

Please read prior to your appointment.

- Please arrive 15 minutes prior to any initial appointment.
- Your first appointment will usually be a consultation appointment to determine your specific treatment needs.
- All patients requesting IV sedation or general anesthesia will be seen for a pre-operative consultation. Any patients scheduled for IV sedation or general anesthesia must be accompanied by an adult escort and must not eat or drink for 6 hours prior to your appointment.
- If you take any medications or prescriptions regularly, please bring a list of the medications, the dose and frequency of each.
- A parent or legal guardian must accompany patients 17 years old or younger.
- If you must change your appointment we ask that you notify our office 48-hours in advance as a courtesy to other patients.
- If you have been given x-rays, please bring them along with this referral slip.
- Please bring all medical and dental insurance information with you.

Directions to Dr. King's office:

From the Spaulding Turnpike/Route 16, take exit 9. Take a right off the exit ramp if you are coming from the south, a left if you are coming from the north. Go straight to the lights and take a right at the lights onto Central Avenue / Route 108 south. Go straight through 4 sets of traffic lights and past the shopping plazas. The office will be on your left. Look for a black sign with gold lettering for Wentworth Professional Building (before Wentworth Douglas Hospital). There is a parking lot in front of a grey and brick two story building, Dr. King's office is on the first floor.

From downtown Dover, follow Central Avenue past Wentworth Douglass Hospital, the office is two buildings after the hospital on the right.
